The Annual Concert of the IGCSE, entitled Songs of Rivers was held on Jan. 27th. The rivers spoke of the journeys they make and how culture and history are interwoven intrinsically to form the rich cultural fabric of India. It was a creative endeavour by our teachers and each one deserves a pat on the back.

Std. IV-VI (Aft. Shift)

The Annual day was held on the 28th of Jan.'2010. The theme for the evening was **"The Ballet of Krishna"**. The enthused students of Std. IV, V & VI put up an electrifying performance which kept the audience spell bound.

Morning Shift

Std. I - Std IV

celebrated their 10th Annual Day on the 29th of January 2010. The theme for the evening was a **"Journey from Bombay to Mumbai"**. This was depicted perfectly by a series of dances starting off with the Kolis and Agris who were the initial inhabitants followed by the invasion of the Portuguese who brought their colourful music and dances to India. As the islands were

converted into the state of Bombay the main inhabitants were the Maharashtrians who are well known for their Lazium which was a well coordinated effort by our young students. Over the years people migrated from different parts of the country to find a home in Mumbai. Our students thus performed dances from Rajasthan, Gujarat, Kerala and Uttaranchal. The evening also highlighted the winners of this year's interhouse singing and dramatics competition. The climax of the evening's performance however was the song which showed us all how the RBK family has grown over the last ten years into the successful educational establishment it is today. The night ended on a meaningful note as the students performed a dance drama with a message by Rabindranath Tagore.
