

Parent Teacher Communication

1. The school diary is recommended form of communication. No chits or paper should be sent across since it could be misplaced.
2. It is absolutely mandatory for the parents to read and acknowledge the student's diary everyday and also check for any notes/suggestions or remarks sent by the school authorities.
3. You can meet the teachers on every Wednesday after the school.
4. In the event when the meeting is necessary with Head, the Help Desk will arrange for the meeting at a convenient time.
5. Appointments will be on one to one basis to address the individuals' issues.
6. In an event that there is a change in the regular procedure of fetching your child, a written application needs to be made at least 2 working days in advance. No phone calls will be entertained.
